\$\$\$ – Accommodation/Food/Activities

For the enjoyment and safety of our youth programmes at NCC we require the youth to be responsible for their own
behaviour when attending. The expectation we have of the youth are as follows: Enjoy being part of a group environ-
ment, Obey & respect their leaders, Respect the right and property of others, Treat others with respect & courtesy, To
be alcohol & drug free. If expectations are not being met by an individual or a group of youth then their youth leader
will be entitled to communicate to them the guidelines which are set above. The parents and youth director or senior
pastor will be notified if the expectations continue to be ignored. At NCC we want all youth involved in the programmes
to feel safe and loved by their peers and leaders. Having clear expectations help in creating a positive environment and
spirit. If expectations are not being met then parents will be contacted and will be required to come pick up their youth.
